

## Kids Town Preschool at VIPS

February 21, 2017

Dear Parents,

Please find attached information about VIPS 2017 summer program, "Visions of Summer!!" As current members of the VIPS family, your child is offered the first opportunity to enroll before registration is opened to the public, on March 15, 2017. Children enrolled in the VIPS summer program must be 3-6 years-old as of June 12, 2017. Your child can be enrolled for the whole summer, individual weeks or days - whichever works best for your family.

VIPS summer program will run Monday through Thursday, June 12 through July 20, 2017. ,

Please note our Two Day Two's classes continue throughout the summer without interruption. VIPS does not have a nurse on staff. Nurses providing personal care to your child are welcome to attend our summer program with your child. VIPS does not provide transportation for summer or school year programs. There is no public school transportation during summer programming.

As always, our summer program will be led by our great team of Kids Town Preschool teachers, with support from our wonderful instructional assistants and university practicum students.

The summer program at VIPS is open to all children in the community. Tuition is set at \$150/week (Monday through Thursday) or \$50/day. Early drop-off (8:00 a.m.) and after-school care (1-5:30 p.m.) is available for \$5/hour. There is a \$15/week registration fee that must accompany registration; that amount will be credited to the week's tuition. This is a nonrefundable fee. Scholarships are available for VIPS children. Please call (502)636-3207 to contact Beth Krebs, Assistant Director of Kids Town Preschool, or Kim Shippey, Controller, for more information. Registration will be opening to the public soon. It would serve you well to register as soon as possible.

As always, we love learning with your child! Thank you for sharing your precious one with us!

Our best,  
VIPS Education Team
