

# vips Gala

Saturday, May 30, 2020 | Louisville Boat Club

Visually Impaired Preschool Services (VIPS) invites you to our largest fundraising event, the VIPS Gala (formerly the Tennis Ball.) This event is an evening of fun and fundraising where guests enjoy an elegant dinner, bid for an exciting silent and live auction, and dance the night away. The VIPS Gala is VIPS' primary fundraiser of the year and helped to raise over \$130,000 in 2019.

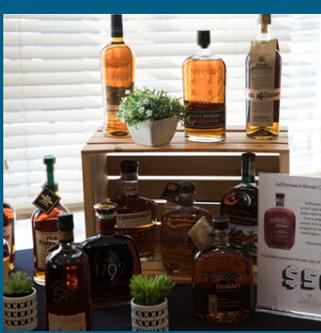

The main purpose of the VIPS Gala is to raise funds to support the education of children with blindness and low vision throughout Kentucky and Indiana. 90% of what a child learns is through their vision, and 85% of the foundation of learning happens in the first 5 years of life. VIPS provides important early childhood intervention services to young blind & visually impaired children during these critical early years when major development takes place.

"As a mother with a child who has several medical conditions, it's very hard not knowing what our day-to-day will hold. Kids Town Preschool at VIPS has been an amazing school for Kendall. Kendall is a very happy, social butterfly and her physical conditions do not define her. Thanks to her many happy hours at VIPS, she is ready for the next chapter of her life."  
-Kendra, Mother to Kendall (left)

VIPS was the first and continues to be the only nonprofit agency in Kentucky and Indiana providing vision-specific services to this population of children. The funds raised at last year's gala helped make the future brighter for over 700 children throughout both states. By becoming a VIPS Gala sponsor, you are making an investment in the futures of the children that VIPS serves.
