

TVI, TBLV, or Developmental Interventionist Job Description

Job Title: Teacher of the Visually Impaired/Teacher of Blind/Low Vision, Developmental Interventionist

Reports to: IN or KY Education Lead

FLSA Status: Exempt/Salary

Summary:

Plan and implement appropriate intervention strategies for children; birth to school age who are blind or low vision. Maintain good working relationships with families and other service providers to promote the best services for the child and family.

Essential Duties and Responsibilities:

- Promote the acquisition of developmental milestones for children who are blind or low vision through the implementation of intervention services in homes, childcare settings, and preschools.
- Adapt materials and environments for children who are blind or low vision to help them maximize their functional vision and develop compensatory skills.
- Schedule and complete assessments as needed, including functional vision and learning media assessments.
- Follow regulations established by those contracting with VIPS, i.e., First Steps, public school systems, etc.
- Keep current of typical child development through approved trainings.
- Work cooperatively with team members from VIPS and other community partners.
- Attend IEP and IFSP meetings as requested.
- Have a good working knowledge of diagnoses of visual impairments and their impact on a child's development.
- Work with families to help them better understand their child's visual diagnosis to encourage development and independence in their daily routines and activities and provide information as needed.
- Maintain appropriate records and complete reports within guidelines of funding sources and VIPS requirements.
- Navigate visits in an appropriate amount of time in multiple locations.
- Attend VIPS functions, including staff meetings, annual meetings, family retreat, fundraising events, and family activities.
- Maintain state credentials and certifications.
- Attend professional development trainings.
- Accompany families to ophthalmologist visits or other community resources with prior approval from the Director of Education.
- Respect all families and their cultural beliefs.

Qualifications:

To perform this job successfully, an individual must be able to perform each essential duty. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
